## Auditor Notes

This statement is proof of the secure and unique redemption of the I-RECs stated above for the named beneficiary to be reported against consumption in the country during the reporting year stated. I-RECs are assigned to a beneficiary at redemption and cannot be further assigned to a third party. No other use of these I-RECs is valid under the I-REC Standard.

Where offset attributes are 'incl' the device registrant, who exclusively holds the environmental attribute rights, has undertaken never to release carbon offsets in association with these MWh; 'excl' means carbon offsets relating to these MWh may be traded independently at some point in the future.

Thermal plants emit carbon as part of the combustion process. While this is not zero carbon, it is generally recognised as carbon neutral where the source is recent biomass.

| 0000-0220-9204-8367.000000 | 0000-0220-9204-8951.999999 | 585.000000             | Incl              | 2024-08-01 - 2024-08-31 | Foton  |

## Auditor Notes

This statement is proof of the secure and unique redemption of the I-RECs stated above for the named beneficiary to be reported against consumption in the country during the reporting year stated. I-RECs are assigned to a beneficiary at redemption and cannot be further assigned to a third party. No other use of these I-RECs is valid under the I-REC Standard.

Where offset attributes are 'incl' the device registrant, who exclusively holds the environmental attribute rights, has undertaken never to release carbon offsets in association with these MWh; 'excl' means carbon offsets relating to these MWh may be traded independently at some point in the future.

Thermal plants emit carbon as part of the combustion process. While this is not zero carbon, it is generally recognised as carbon neutral where the source is recent biomass.

# THE INTERNATIONAL REC STANDARD

This Redemption Statement has been produced for

**ÇİMSA ÇİMENTO SANAYİ VE TİCARET A.Ş. - ZEYTİNLİ HAZIR BETON TESİSİ**

by

**RONESANS ELEKTRİK ENERJİ TOPTAN SATIŞ A.Ş.**

confirming the Redemption of

**220.000000**

I-REC Certificates, representing 220.000000 MWh of  
electricity generated from renewable sources

This Statement relates to electricity consumption located at or in

**ZEYTİNLİ MAHALLESİ TURHAN CEMAL BERİKER BUL. NO : 627 SEYHAN /ADANA  
Turkey**

in respect of the reporting period

**2024-01-01 to 2024-12-31**

The stated Redemption Purpose is

**Scope 2 Reporting**

# Ev.
